Cable Demarcation Enclosure.....	15-2
---	-------------

Cable Demarcation Enclosure

Maximum Protection

The enclosure is molded of rugged impact-resistant thermoplastic resin that offers superior protection from vandalism and also has a padlock tab for extra security. We've included UV inhibitors that protect the enclosure from sun degradation and color shifts, plus the entrance and exit grommets keep the enclosure free from insects.

Fast, Easy Installation

The large interior accommodates common traps, filters, splitters, and amplifiers. For a fast and secure connection, the conduit ports have twist tie clamps. The enclosure also offers a wide profile for covering damage that may be left from removal of other devices. The side hinged door stays in an open position or may be removed and re-installed.

Superior Performance

The large interior is ideal for storing excess cable and maintaining the proper bend radius for the cables. The unit also has interior strain relief tie off points for added convenience.

Colors

Consult PLP for custom color options.

Cable Demarcation Enclosures				
Catalog Number	Description	Interior Dimensions (mm)	Carton Quantity	Carton Weight (kg)
CDE75	Cable Demarcation Enclosure (Gray) single port includes grommet and hardware	7.1"H x 5.5"W x 2.9"D (181 x 140 x 74)	36	25 lbs. (11.5)
