

ARMADILLO® Plug Spool Kit

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Description

ARMADILLO Plug Spool Kit is used to minimize the amount of R-Sealant required to plug the larger size cable entries in a Sealing Washer End Plate.

Features

- Two sizes available:
 - Plug Spools for 1.6" (41 mm) or 2.2" (56 mm) Cable entries. Kit contains six spools
 - Plug Spools for 2.8" (71 mm) or 3.4" (86 mm) Cable entries. Kit contains six spools
- Each kit contains six spools
